

## BAE infusion in renovation and furnitures

**BAE International Inc Sdn Bhd**, a company that owns its patented technology, manufactures and distributes energy-infused health products across 5 Asian countries including Japan.

BAE product efficacies are substantiated by our 18 years of continuous clinical research where the results of these research have also been published in numerous international scientific journals.

Our mission is to restore excellent health back to all our customers and with that, happiness to their lives.

GDV Result			
Result	Tap Water	Tap water On Table	Tap water On BAE Floor Tile
Energy Measurement		 	
Area (A)	1,053	1,588	1,655
Average Brightness (B)	179	189	194
Energy (AxB)	188,487	<b>300,132</b>	<b>321,070</b>

With the infusion of BAE, the energy has increased by **59%**

With the infusion of BAE, the energy has increased by **70%**

**GDV result**  
(8 years after the floor tiles were energized!)
